MEMORANDUM FOR: General Counsel

SUBJECT: Juror's Summons -

25X1A9a

25X1A9a 1. There is attached a Juror's Summons which was served on  
25X1A8a [REDACTED], Chief of the [REDACTED] 25X1A8a  
25X1A9a [REDACTED]. The summons specifies that Mr.  
25X1A9a [REDACTED] is to appear at Upper Marlboro, Maryland on 4 April 1955. It is  
understood that this jury duty would last approximately six weeks, with  
[REDACTED] serving alternate weeks.

25X1A9a 2. It is requested that if at all possible your office take steps  
to get [REDACTED] relieved of this duty. April, May and June are very  
critical months insofar as this Staff is concerned, particularly in the  
case of the Operations Division. Annual programs are submitted for  
review and approval during this period; also a large number of projects,  
requiring renewal by June 30, must be processed and approved during  
the next three months. These activities are under the supervision and  
25X1A9a guidance of [REDACTED] and his absence during this period would, indeed,  
create a problem. The situation is further aggravated by the fact that  
during the past 30 days we have lost three senior officers from Mr.  
25X1A9a [REDACTED] Division.

3. Your assistance on this problem will be greatly appreciated.  
Please note that requests for release from this duty must be submitted  
prior to 28 March 1955.

25X1A9a

Chief

25X1A8a

Attachment as above
